Credits and history

This document is a recreation of a handwritten guide which was given to me circa 1993 by Lucy Shepherd of the St. Peter's, Dunstable Ringers. Sadly, Lucy recently passed away following a short illness. I would like to dedicate this document to her memory. I have found this guide to be very useful and conveniently pocket sized when folded. Unfortunately, my original copy is now rather tatty from continued use. As a result I have recreated the guide as this PDF document. I hope it is also useful to you. All credit and thanks goes to Lucy and her widower Alan. Notification of errors and complaints about plagiarism to me.
